1. Headquarters Action Required: None; for information and files.
2. Developments:

a. Practically all meetings held with AECASSOWARY 3 and 6 during the month of July were devoted to the matter of Project reorganization, especially as effecting local operations centered round the newspapers. As requested in DIR 26185 and answered in MUNI-2608, AERODYNAMIC/AEDRUMMER reorganization based on the reduced budget seems to be progressing satisfactorily -- at least AECASSOWARY 3 has voiced no complaints to date, nor has he given any indication as to the amount of aid will be required in resettling personnel. Perhaps there will be fewer disposed than anticipated, assuming that adjustments will be made whereby a majority will be retained on both newspapers at a reduced salary. In any case, this matter is being left up to AECASSOWARY 3 to decide, and no action is anticipated by MOB unless requested by him. Our offer to aid in the resettlement has been made and will be honored if and when asked for.

b. Further on the topic of Project reorganization, AECASSOWARY 3 expects to visit HBPRIME in August, and has stated that he will take up all Project matters with AECASSOWARY 2 as a finalizing measure in the field reorganization. It is expected that Headquarters case officers on the Project will thus be able to get a first hand account of latest developments.

3. Transmitted herewith as attachments A through D are contact reports numbered 24 through 27 of meetings held with AECASSOWARY 3 and 6 during the month of July 1957.

OPERATIONAL MATTERS AND COMMENTS:

1. The undersigned met with AECASSOWARY 3 for the purpose of explaining DIR 26185 and to receive answers to any questions contained therein. This went as follows:

a. In order to ease personnel disposal as the result of the budget cut in the Project, we would like to have a breakdown of personnel, to be dropped, salaries paid, etc, resettlement problems, security status, etc. Here, AECASSOWARY 3 said first he appreciated our interest in "his people" and our efforts to aid in the disposal. He said he did not have a complete breakdown of personnel changes but would have this prepared on or about 24 July. He further added that so far he has encountered no difficulties in reorganizing in accordance with the proposed budget cut, however, he failed to go into details in this matter therefore it was not learned exactly who would be cut from the newspaper staffs, ~~now when.~~

b. The undersigned suggested (according to paragraph 2 of DIR 26185) that we would try to help in the resettlement of personnel by investigating the possibilities of connecting those who are qualified and interested with such organizations as TPFEELING, BGCALLUS and other such organizations. AECASSOWARY 3 said he also appreciated this gesture, but that presently he could not say who in his organization might be considered. He said he would keep our offer in mind in the event this help was necessary.

c. The matter of giving termination pay to individuals to be released was explained as suggested in paragraph 3, DIR 26185. Off hand AECASSOWARY 3 could think of no one who would require three months termination pay. He said he would take this matter up again with the undersigned.

d. As for the future plans for AEDRUMMER 1 and AECASSOWARY 1 publications, AECASSOWARY 3 said the consolidation of the physical plant for both papers, editorial staffs, administration etc. has already begun with AEDRUMMER 1 moving in with AECASSOWARY 1 paper. He further said that AEDRUMMER 1 will begin to come out once a month while the AECASSOWARY 1 paper will continue as a bi-monthly. He said he will make known other changes as they become known.

e. AECASSOWARY 3 said he plans to visit PBPRIME in the middle of August and has already applied for a visa. He said his pretext for making the trip is to be with his brother in PBPRIME when he (AECASSOWARY 3) celebrates his 25th anniversary as a priest. When the undersigned mentioned the possibility of getting financial aid for the trip for him, AECASSOWARY 3 said it would be well received but that lack of our aid would not cancel his plans for him.

f. Regarding support for AEDRUMMER 2 from private sources, AECASSOWARY 3 said he had nothing concrete to say on this topic but in all probability would talk this over with AECASSOWARY 2 in PBPRIME.
